

## Key Decisions of the Meeting on 30 October 2012

The organizations working on the issue of gender equality in the areas where FEM members work, if they show an interest in male involvement in these issues- we should approach them and support them and this will be our big achievement.

The participants of this meeting will be considered Institutional/ Organisational members.

For networks/ organizations, the membership fees will be Rs.1000/- per year and for individual membership, the fees will be Rs.250/- per year.

All members will be members of the General Body

Once the membership is allotted, then membership to the Governing Board will be chosen democratically and with representation from all states.

There will be two Volunteers apart from Satish Kumar Singh. We will call this the Oversight Committee for Monitoring. This Committee will oversee where the finance is being utilized.

CHSJ will hold the Secretariat for FEM

The Secretariat will inform all the previous members also. The new brochures will be sent to them.

The website will be named FEM

All members of FEM should send in material for the website and Facebook.

The finalized brochure will be uploaded on the website.

The facebook should be started immediately and the material should be uploaded on that.

There should be a core group for running the website. A two- three member committee is necessary for this and this will do physical monitoring or through other means. Those networks who are associated with FEM should nominate Volunteers for this.

The membership fees should be deposited within the next 15 days. CHSJ will give the membership receipts.

Two persons jointly should decide what the work of the Secretariat should be in the next 6 months. The recommendation/ proposal should be sent to all members immediately and if no response is received within 7 days of sending, then this will be considered final.

All decisions of the meeting will be forwarded to all members. Those who wish to comment or give some feedback must do so within 15 days of sending. If there are no feedback/ comments within this time, subsequent feedback or comments will not be included.
