How the program evolved as it is now.)

Srajana has been working on Women's health and safety issues from its formation. Organization participated in various initiatives initiated by other networks and institutions. Organisation. Beti Jindabad and International Women Days are two main events through which we try to spread message of women safety and development with participation of men. Women and girl's health, safety and respect are in center of organisation's work. organization through its efforts try to spread awareness about the gender equality and health within the

work area of the organization. Organisation participated in Navankur, MPVHS and T.B. programme in work area and tried to bring male and female in one platform to participate in health development of their village. we have been continuously working in area on health issue through different programmes and we feel positive change on health issue and women development but more need to done.

Objectives of the boys/men’s engaging program (please give brief of each programme/ initiatives)

Organisation participated actively in Navankur, MPVHS, T.B., Beti Jindabad and International Women Day programmes. All these programmes had scope to involve male and female population of the area. Apart from specific objective of programme, we shared awareness on women development and gender equality in the area. Organisation has been organizing international women day every year and conduct workshop on women issues including health and gender equality.

19. Target population of boys/men’s engaging program (Please be specific: fathers, boys, leaders etc.)

Organization has been working in the area from long time and organized various programmes on health and education. In all the efforts we approached to the male population to ensure their participation in the efforts.
